Have you got a photo of the **1945 VICTORY PARTIES in Hadleigh?**

We would love to copy
your photo to our collection

Perhaps you were at one of the parties, and would like to share your memories with the next generation? We can record your story.

You may be able to identify people in our photos – if so, please leave your details at the Library so that we can contact you, or email us at

hadleighhistory@gmail.com
