## RECTORY CARPET COMPANY LIMITED

26-26A, RECTORY ROAD, HADLEIGH, Tel: Southend 565313

Geoff Barsby and Brian Hopton, who started Rectory Carpets 3½ years ago, have built up the company on friendly service, the high quality of the carpets they stock and the exceptional way they keep prices down.

They have built the business up on recommendation as well as advertising and they now cover a wide area of Essex, travelling as far afield as Wetherfield to the north and to the outskirts of London. Added to this they give a free fitting

service of the highest standard.

They are now expanding their showroom in Rectory Road and are increasing their stock of carpets and Cushionfor into the shop next door, and are opening a Danish section to show merchandise made by Westons, Egastepper and Wilas, of Denmark.

This is well worth looking at if you are thinking about a new carpet because there's no waste — you just pay for the carpet used.

## CASTLE WEAVE 244 LONDON ROAD, HADLEIGH.

Tel: Southend 556289

A NEW dressmaking service for Hadleigh (and outside the area, too) is announced today by Castle Weave.

Fabric purchased can now be made up to your measurements by their team of experienced dress-

makers. Work is to a very high standard and it's certain you'll be delighted with the result of their labours especially if you're not exactly a stock size!

Here's an example of the prices, which incidentally compare very favourably with anything you can buy ready-made nowadays. A day dress costs from £4 and a trouser suit from £8. The cost of the material is, of course, extra.

Castle Weave offer a

large selection of fabrics, as well as dress patterns, including Style, Simplicity and Vogue, accessories and haberdashery.

Fittings in their new fitting room at the rear of the shop are made by appointment.
