S.V.S. FOODSTORE

481 CHURCH ROAD (opp. Kenneth Rd.) THUNDERSLEY. Tel: 5TH. BEN. 3270

MAUREEN and Norman have been at the S.V.S. Food store for the past three-and-a-half years, having moved from their foodstore at Whitstable which they ran for nine years.

So you can see they are very experienced in the business. They have made many alterations and additions to the shop and

have certainly improved service to their many customers.

Maureen and Norman regard their customers as friends and all their staff are well known for their cheerful "hello" and friendly smiles. See if you get that in

supermarkets nowadays! The genuine cut prices are very competitive and the store has a very good name for its prompt and efficient delivery service — another service you don't get often nowadays.

Indeed, many customers return to the store each week even after moving from the district. Could you ask for a better testimonial than that?
